| Q4 Jan-Mar 2015  | 6                             | 51                                     | 68                                     | 1   | 0   |
| Q1 Apr-Jun 2015  | 8                             | 72                                     | 64                                     | 0   | 0   |
| Q2 Jul-Sep 2015  | 6                             | 73                                     | 68                                     | 0   | 0   |
| Q3 Oct-Dec 2015  | 6                             | 44                                     | 64                                     | 0   | 0   |
| Q4 Jan-Mar 2016  | 6                             | 52                                     | 90                                     | 0   | 0   |
| Q1 Apr-Jun 2016  | 11                            | 103                                    | 160                                    | 0   | 0   |
| Q2 Jul-Sep 2016  | 6                             | 48                                     | 133                                    | 0   | 0   |
| Q3 Oct-Dec 2016  | 5                             | 26                                     | 20                                     | 0   | 0   |
| Q4 Jan- Mar 2017 | 4                             | 30                                     | 50                                     | 0   | 2   |
| Q1 Apr-Jun 2017  | 8                             | 48                                     | 154                                    | 1   | 0   |
| Q2 Jul-Sep 2017  | 6                             | 44                                     | 74                                     | 0   | 1   |
| Q3 Oct-Dec 2017  | 3                             | 18                                     | 34                                     | 0   | 0   |
| Q4 Jan-Mar 2018  | 7                             | 57                                     | 90                                     | 0   | 0   |
| Q1 Apr-Jun 2018  | 6                             | 71                                     | 129                                    | 0   | 0   |
| Q2 Jul-Sep 2018  | 9                             | 78                                     | 65                                     | 0   | 0   |
| Q3 Oct-Dec 2018  | 4                             | 26                                     | 84                                     | 0   | 0   |

## Notes

(1) Figures refer to samples collected by UK Anti-Doping at athletics competitions in the UK as part of the UKA/ IAAF/ IPC/ EAA doping control programmes

(2) Figures refer to the number of athlete tests from British and International athletes. Please note that more than one sample may be provided from an athlete during the quarter. Multiple samples from the same athlete in one testing session count as 1.

(3) Figures refer to athlete tests collected from UK athletes as part of the UK Anti-Doping out-of-competition testing programme. Includes samples collected from UK athletes abroad as part of the UK programme. Please note that more than one sample may be provided from an athlete during the quarter. Multiple samples from the same athlete in one testing session count as 1.

(4) Findings from tests conducted in the UK and abroad as part of the UK programme and tests in-competition in the UK.

(5) Only includes cases which have been concluded and which have resulted in an Anti-Doping Rule Violation.
