

Retired accounts manager, married, two children and three grandchildren.

Chair of the Youth Development League. (YDL)

Chair of the Association of Athletics Leagues. (AAL).

Current UKAM club representative, casual vacancy.

Introduced to the sport as an enthusiastic parent, when our youngest daughter joined Spenborough as a 10-year-old. I went onto become involved at club level from team manager to vice chair. My husband Stuart continued into coaching and was an international/ Olympic official.

In nearly thirty years involvement, I have been:

- Secretary & / or Treasurer of the following T & F leagues-
- West Yorkshire, North of England & NJAL.

Invited by UKA to assist in the setting up of YDL, initially appointed as Vice Chair and then elected as Chair in 2014.

As Chair of YDL and AAL, this provides me with the unique position of being able to listen to clubs concerns across the whole of the UK, especially as I check athlete eligibility for YDL. In this capacity I regularly communicate with clubs across the UK and can reflect the clubs voice on governance issues.

If I am elected to UKA Members, I will do my utmost to listen to, and take forward, club concerns from clubs across the whole of the UK. I will ensure clubs' views are accurately fed back to UKA and always be prepared to challenge the UKA Board and Executive constructively if I feel they are acting in a manner prejudicial to the clubs and volunteers.
