2022 World Athletics World U20 Championships 1-6 August 2022 Cali, Colombia

Selection Policy. V.4 – Published March 2022

Overview

British Athletics provides the opportunity through age group championships for athletes and coaches to experience and learn the key skills, abilities and behaviours needed to progress through the pathway and on to the senior international stage. Athletes will be expected to compete within their respective age group to ensure appropriate age and stage development experience and process, with the aim of transitioning on to become successful at future senior international championships and ultimately the Olympic Games. In exceptional circumstances for u18, where there isn't an international opportunity available in the given season, British Athletics will consider selecting athletes for opportunities within the u20 age group champs programme aligned to the EA/IAAF ruling.

The Selection Panel ("the Panel") therefore aim to select a competitive team and athletes who they believe have the potential to reach a 'Final' in their event at the World Juniors. To best support athlete development through the Age Group's Pathway and to provide opportunities for more athletes to gain a GB&NI vest, British Athletics will take all qualifiers - 2 per event.

In line with the British Athletics Futures Academy relay programme, the U20 relays are seen as vital educational opportunities for ensuring future success on the senior stage. All U20 relay programme athletes will therefore be expected to make themselves available for the 4x100m or 4x400m relay squads throughout the year, culminating at the World U20 Championships.

The World U20 Championships Trials ("the Trials") for all events except 3,000m, 5000m and combined events, will take place at the England Athletics U23/U20 Championships on **16-17 July 2022 in Bedford**.

Loughborough International- 22 May 2022

The Loughborough International match is the traditional season opener in the UK and is seen as a development opportunity for U20 athletes.

A full programme of events with junior implements and hurdles will be staged (the 110m hurdles race with junior height hurdles is not a match race). Endurance events will include 3000m and 3000m steeplechase for men and women.

The Loughborough International fulfils a key role in the British Athletics relay programme. As such, all eligible relay athletes should make themselves available for selection and participation in Loughborough (unless involved in senior British Athletics relay activities at the same time).

The team will be selected with 1 per event using the following criteria, which are not listed in any priority order.

- Performances achieved from 1st January 2022.
- Head-to-head performance record from 1st January 2022.
- Performances from 2021 outdoor season (where performances demonstrate clear medal potential at the 2021 Euro/World U20 Championships).
- Previous age-group competition history.
- · Current form and fitness.

Selection will take place on **Monday 16 May 2022.** Selection will be announced on Tuesday 17 May 2022. The voting panel members will be made up of representatives of each event group as nominated by the Pathway Manager, based on their knowledge and expertise. The panel will also include a non-voting independent observer and a member of the Athlete's Commission.

Additional guest slots may also be allocated to additional U20 athletes (i.e. those not already selected for the GB & NI team) aiming to secure selection for the World U20 Championships. These will be allocated using the criteria above.

Mannheim International 2-3 July 2022

The Mannheim International is one of the highest junior level competitions outside the World or European Junior Championships each year. Given the historical level of performance at this meeting and its importance in preparing the 4x100m relay teams for the World U20 Championships, it is British Athletics' intention to select men's and women's 4x100m relay teams as well as a number of individual athletes to compete in Mannheim as part of another opportunity for developing pathway athletes.

The team will be selected using the following criteria:

- The 4x100m relay teams take priority over any of the individual events in Mannheim.
 Any athlete who wishes to be selected in the individual 100m or 200m must make themselves available for the relay teams in Mannheim or they will not be selected for an individual event.
- Due to the provision of high-level competition opportunities for many disciplines in the UK, such as the BMC events and the British Athletics Championships, any remaining places (subject to the team size allocated by event organiser) will be filled in the following priority order:
 - a. Highly World ranked individual athletes in the throws, jumps, hurdles and combined events.
 - b. Any individual athlete who, in the Panel's opinion, are Top 8 contenders for the 2022 World Junior Championships; and
 - c. Any other individual athletes.

Selection will take place on Monday 13 June 2022.

2022 World Athletics World U20 Championships- 1-6 August 2022 Cali, Colombia

Trials

The World U20 Championships Trials ("the Trials") for all events <u>except</u> 3000m, 5000m and combined events will take place on **16-17 July 2022 in Bedford**.

There is the opportunity for the events not staged in Bedford on 16 - 17 July as follows:

Athletes wishing to compete in the 5000m or 3000m trial events should enter directly via the British Milers Club with any queries.

In the case of an injury, athletes will be required to provide a medical report to the British Athletics U20 Team Doctor, please contact agegroupchampsinfo@britishathletics.org.uk.

 - a. be eligible to compete for GB&NI (i.e. full British passport holder);
 - b. be born in 2003, 2004. Except for the following:
 - i. In exceptional circumstances athletes who are 17 years at 31 December 2022 (i.e. born in 2005), may be considered for discretionary selections by the Pathway Coaching Lead.
 - ii. To be eligible, these athletes must have demonstrated a consistent level of performance, as well as previous experience, at a major GB & NI age group international championship, which suggests that selection for the competition is appropriate for their long-term development.
 - c. compete in the Trials in the event in which they wish to be selected with the following exceptions:
 - i. Athletes in the 3,000, 5,000m and Combined Events;
 - d. have achieved a relevant British Athletics qualification standard within the relevant period (individual events only); and

https://www.uka.org.uk/performance/british-athletics-teams-information/. and

Note 1: For athletes aiming for selection as described in paragraph C take note that they are mandated to compete at any of the designated trials events.

Note 2: To ensure the Panel have an accurate picture of an athlete's fitness ahead of the selection meeting, those who are unable to compete at the England Athletics U23/U20 Championships due to injury but still wish to be considered for selection MUST either have been reviewed in person by the British Athletics medical team in the week prior to the England Athletics U23/U20 Championships OR they must attend the England Athletics U23/U20 Championships (regardless of home location) to be examined by one of the British Athletics Age Group Team Doctors, or the Event Doctor. Athletes who fail to satisfy either provision will not be considered for selection.

For the avoidance of doubt athletes seeking selection for the relay must compete in their usual relevant individual event at the Trials.

Selection Process

- 4. The World U20 team will be selected on Sunday 17th July 2022.
- 5. A maximum of two athletes may be selected in each individual event. Up to 8 athletes may be selected for each relay event. The composition of those 8 relay athletes must

include the athletes who are selected in the relevant individual event (100m or 400m). Any other athlete who is selected in any other event may then be able to participate in the relay event in addition to the 8 entered.

6. Round 1 – automatic selections:

a. The winner of each individual Trials events (refer to the overview for details on all Trials events) will automatically be selected for the same event at the World U20 Championships provided they are eligible for selection (see paragraph 1) and provided the relevant British Athletics qualification standard has been achieved by that athlete during the relevant qualification period. Should any of the automatic selections from the relevant Trials event be unable or unwilling to take up their places(s), their Round 1 place(s) will not be offered by default to the next best placed eligible athlete(s) from the relevant Trial;

7. Round 2 – all remaining eligible individual athletes:

- a. In this round the Panel will consider athletes that have:
 - i. Achieved at least one qualification standard by the end of the qualification period.
 - ii. Demonstrated to the satisfaction of the Panel current form and fitness which suggests they can perform at a level equal to (or exceeding) the qualification standard.
- b. If more athletes satisfy all the criteria outlined in paragraph 7(a) above than there are places available, athletes will be selected based on the Panel's consideration of a combination of the following criteria (which are not listed in priority order) as well as any other factors that may be deemed relevant:
 - i. Current form (Performances from 1st January 2022);
 - ii. Position at the trials.
 - iii. Future individual medal potential at indoor or outdoor major events.
 - iv. Finalist potential at the 2022 World U20 Championships.
 - v. Head-to-heads in 2022.
 - vi. Previous major age-group competition history.
 - vii. Ability to successfully double-up (i.e. compete in more than one event at the Championships);
 - viii. Contribution to relay teams (where relevant); and
 - ix. Injury status.

8. Round 3 - Relays

- a. Based on the athletes selected for individual sprint/hurdles events in rounds 1 and 2, the Panel, in its absolute discretion, may choose to select a team for each of the men's and women's 4x100m and 4x400m relays. In accordance with the World Athletics entry rules as outlined in paragraph 5, provided they believe that the relevant relay team will be genuine medal contenders.
- b. The number of athletes selected for each relay will be at the discretion of the Panel, in accordance with the World Athletics entry rules outlined in paragraph
 5. Athletes will be selected based on the Panel's consideration of a combination of the following criteria (which are not listed in priority order), as well as any other factors that may be deemed relevant:
 - i. Full commitment and engagement with the British Athletics Futures Academy Relay Programme.
 - ii. Current form (Performances from 1st January 2022).
 - iii. Head-to-heads in 2022.
 - iv. Previous major age-group competition history.
 - v. Injury status.

c. Athletes selected for the relay do not need to have achieved a British Athletics qualification standard but do need to have competed in the Trials.

Note: All athletes selected for the 4x100m and 4x400m relay teams, regardless of whether they are also selected in an individual event, will be expected to reflect British Athletics' clear aim of winning relay medals at the World U20 Championships as part of the wider development of relays in the UK. As such all selected relay athletes will be expected to make themselves available for ALL rounds of the relevant relay (except in the case of genuine injury). Any athlete who fails to do so will not be considered (until such time as behaviours demonstrably change) for support via British Athletics Futures Academy (or equivalent) or World Class Programmes.

9. Round 4

- a. The 'Panel' may select additional individual athletes to the team who have a realistic chance of being a finalist at the Worlds but who have not achieved a British Athletics qualification standard within the relevant qualification period (provided they have achieved the World Athletics qualification standard in accordance with paragraphs 11 to 16 below).
- b. Athletes will only be selected in this round if places remain unfilled in the relevant individual event, and athletes may not be selected at the expense of individuals already selected in rounds 1 or 2.
- c. Athletes will be selected based on the Panel's consideration of a combination of the following criteria (which are not listed in priority order) as well as any other factors that may be deemed relevant:
 - i. Current form and consistency of performances
 - ii. Position at the trials.
 - iii. Future individual medal potential at indoor or outdoor major events.
 - iv. Finalist potential at the 2022 World U20 Championships based on event depth and what it takes to final.
 - v. Head-to-heads in 2022.
 - vi. Previous major age-group competition history.
 - vii. Injury status.
- 10. The total number of athletes selected in rounds 2, 3 and 4 may be limited by regulations set by World Athletics, the Championship organisers, or by British Athletics for logistical or budgetary reasons.
