

IAU 24 Hour World Championships, Chinese Taipei, 2-3 December 2023

Selection Policy - published March 2023

1. Overview

The British Athletics policy for the IAU 24 Hour World Championships will focus on performances that will challenge for individual and/or team medals. British Athletics therefore intend to select athletes who the Selection Panel ("the Panel") believe are demonstrating the potential to win individual medals in this or future Championships and/or to contribute to a team medal. Teams will only be selected if the panel believe they can realistically challenge for a medal. Selection will be based on a maximum of 4 athletes per team.

The championships will be held in Chinese Taipei on 2nd and 3rd December 2023.

For 2023, selected athletes will be required to make a personal contribution to compete at the IAU 24 Hour World Championships.

The Great Britain and Northern Ireland (GB&NI) team will travel to the Championships as a single team (exceptions to this will be made at the discretion of the Team Leader). Travel arrangements from the UK to Chinese Taipei will be booked and funded by British Athletics. The British Athletics Domestic Assembly Policy will apply for these Championships.

All questions related to the selection policy should be directed to the chair of selectors John Pares johnpares@gmail.com

- Achievement of the individual standard will have priority over the team standard.

6. Appeals

7. Amendment

British Athletics reserves the right to amend this Selection Policy at its sole discretion especially in the light of the ongoing current Covid19 situation - the status of the country for international travel and additional covid related costs which may affect team sizes. British Athletics will make any amended version publicly available (including the date on which any amendment was made) at www.uka.org.uk.
