There will be a member of the UK Athletics Event team staff at the accreditation desk who will have your details and will issue you with an accreditation pass along with a UK Athletics lanyard in order for you to place it firmly around your neck.

Please ensure you have your coach licence with you as you may be required to present this to a member of staff.

Accreditation opening times:

Saturday 09:00 – 18:00

Sunday 09:00 – 15:15

ATHLETE SUPPORT ACCREDITATION

Accreditation must be worn around the neck at all times. Please ensure your pass is kept facing the right side up at all times to allow easy identification. Your pass number will be logged for our records. Lost passes are often returned to the accreditation desk, if you do lose your accreditation pass; please return to the accreditation desk to report it and gain assistance.

WHERE YOU ARE PERMITTED TO GO WITH YOUR ACCREDITATION

Accredited coaches are granted access to Zone 3. This is described as Sport Areas. The definition of sport area is as follows; 'areas where athletes prepare for competition, coaches and athlete representatives mix before and after races. This includes registration, sports hall area and medical areas.'

Due to anticipated high volume of athlete and coaches for the UK Championships and the fact that the warm up area is quite tight, coaches are respectfully asked that the warm up area is kept 'flowing freely' as much as possible, if your athlete is not preparing for an event we would request that you sit in the coaches seating located in the Block A, B, C, D, and K and only enter the warm up area if necessary.

Please find the seats dedicated to coaches below;
