## **APPENDIX 2- ATHLETE CONTRIBUTIONS**

The World 50km Championships 2025 is one of the off-track events that requires a joint funding approach in order to support the participation of GB teams. An Athlete Contribution will be required to support the costs associated with competing at the championships including, but not limited to transfers, accommodation, meals and kit and team staffing.

In the Expression of Interest for selection in the 50km event, athletes must agree to the principle of selection and participation being conditional on making the agreed financial participation – the 'Athlete Contribution'.

In order to help athletes plan, UKA has undertaken budget forward-planning to estimate a maximum anticipated per athlete cost contribution. The Athlete Contribution for the 2025 World 50km Championships has been estimated to be £600-850 per athlete. Once a team is selected the UKA team management and support staff will work to be as cost effective as possible, whilst still maintaining the ability to achieve the aims of the policy.

Athletes will be required to meet at the team assembly point two days before the 2025 World 50km Championships. The assembly date will be 5<sup>th</sup> of December, with the race expected to take place on the 7<sup>th</sup> of December. Athletes will be sent further details on assembly point and team accommodation following their expression of interest submission.

At the time of selection, UKA will provide athletes with the current estimated figure for the athlete contribution and timeline for payment. Team membership will be conditional on agreeing the terms in the team members' agreement. Athletes will be required to pay a deposit on acceptance of their place on the team.

Once athletes have signed the agreed selection letter, they will receive all championship kit prior to the agreed assembly point.

If an athlete is concerned that the athlete contribution will prohibit them from applying for the World 50km Championships please contact [rbritton@uka.org.uk](mailto:rbritton@uka.org.uk) for information around available grants and support.

Once the team has been selected, the UKA team management and support staff will work with athletes and coaches to help maximise preparation for the above championships.
