ELIGIBILITY FOR SELECTION

5. In addition to meeting the General Eligibility Requirements in Appendix 1, to be eligible for consideration for selection, athletes must comply with both Requirement One (Participation at UK Athletics Indoor Championships) and Requirement Two (Qualification).
6. For the avoidance of doubt, complying with the General Eligibility Requirements and both Requirements One and Two means an athlete can be considered in the Selection Process; it does not guarantee selection.

REQUIREMENT ONE: PARTICIPATION AT UK ATHLETICS INDOOR CHAMPIONSHIPS

7. Save for the provisions set out in Section 8 below; to be considered for selection all athletes must compete in their corresponding event at the UK Athletics Indoor Championships:
 - a. **UK Athletics Indoor Championships** – 14 & 15 February 2026 at the Utilita Arena, Birmingham.

8. Specific Provisions

Athletes should review the following provisions carefully before entering the UK Athletics Indoor Championships.

- a. Athletes wishing to be considered for selection in the 4 x 400m relay events must compete individually in the 200m, 400m or 800m.
- b. Combined Event athletes must compete in at least one relevant event, as agreed with the Performance Director.
- c. **'Doubling Up'**
For Eligibility purposes, athletes seeking selection in two individual events will not be required to compete in their second event at the UK Athletics Indoor Championships. However, the Selection Panel will have sole discretion to determine whether athletes will be selected to compete in more than one event. The Selection Panel will assess the potential impact a secondary event will have on an athlete's performance in both events and the Selection Panel has the sole discretion to not select an athlete in a second event in any of the Selection Rounds. Requests to be considered for selection in two individual events ('doubling-up') should be made to the Performance Director pdunn@uka.org.uk in writing **in advance of the UK Athletics Indoor Championships**.
- d. **Illness and/or Injury Exemption**
In the event an athlete is unable to compete at UK Athletics Indoor Championships due to illness or injury, the athlete must comply with the following conditions. Where the provisions and conditions are not adhered to, an exemption for non-attendance at the UK Athletics Indoor Championships will not be granted. Any exemption will be by exception and is given at the sole discretion of UKA.
 - i. **Illness or Injury earlier than the day before the UK Athletics Indoor Championships**
- must be evidenced by a medical note from a GP, emergency doctor or consultation with a UKA doctor (jbrown@britishathletics.org.uk) for that athlete to remain eligible for selection. The Performance Director and UKA Lead Doctor will at their discretion determine whether, on the basis of the evidence available to them and information provided by the

Version	Date
v1	Published 12 December 2025

athlete to accept their non-attendance at the UK Athletics Indoor Championships. Failure to satisfy the above will result in the athlete not being considered for selection.

- ii. **Illness or Injury the day before or the day of the UK Athletics Indoor Championships** – the athlete must contact the Performance Director or UKA Lead Doctor as soon as possible prior to the commencement of the relevant event. Detailed information and evidence must be provided by a medical note from a GP, emergency doctor or consultation with the UKA Lead Doctor, in order for the Performance Director and UKA Lead Doctor to assess whether absence from the UK Athletics Indoor Championships is warranted and whether an exemption is granted.
- iii. **Illness or Injury that occurs at the UK Athletics Indoor Championships** – must be reported at the event to the Performance Director and the lead UKA Doctor and must be evidenced with a consultation with the UKA Lead Doctor or a medical note from a GP or an emergency doctor following the UK Athletics Indoor Championships and before the selection meeting on 5 March 2026. The Performance Director and UKA Lead Doctor will assess whether absence from the UK Athletics Indoor Championships is warranted and whether an exemption is granted.

REQUIREMENT TWO: QUALIFICATION

 - a. Be a 2026 World Indoor Tour Champion who has been given a ‘Wild Card’ entry by World Athletics
 - b. For all individual events, achieve the **World Athletics Entry Standard** as set out in the table within the qualification period **1 November 2025 to 4 March 2026**. SELECTION PROCESS

- 10. The Selection Panel (the “Selection Panel”) will only select from athletes who meet the General Eligibility Criteria and both Performance Requirements One and Two.
- 11. Selection will be made in four (4) rounds conducted as outlined below.
 - Round 1 – WA Wild Cards & Previous Medallists
 - Round 2 – Athletes with a World Athletics Entry Standard
 - Round 3 – Athletes on the ‘Road to Kujawy Pomorze’ Top Performance List
 - Round 4 - Relays
- 12. Athletes should note that selection in all rounds is subject to the Selection Panel’s expert assessment of the athlete’s injury and health status.
- 13. In its assessment of an athlete, or where UK Athletics does not have the capacity or appropriate resources to provide the level of health-related support required, the Selection Panel may decide not to select an athlete if UK Athletics’ medical advice considers that participation would pose a risk to the athlete’s health or the safety of others.
- 14. The Selection Panel may in its sole discretion set conditions of selection, which may include but are not limited to fitness, health-related or any other form of assessment. In the event the athlete fails to comply with the conditions, the provisions for deselection as set out below may apply.
- 15. **Round 1 – WA Wild Cards & Previous Medallists (See Appendix 3)**

Subject to an assessment of health and injury status, athletes who meet the criteria below will be selected in their corresponding event.

- a. 2026 World Indoor Tour winners who have been given a ‘Wild Card’ by WA
- b. 2025 World Indoor Championships individual medallists
- c. 2025 World Championships individual medallists
- d. Combined Event athletes who receive an invitation from World Athletics.

The Selection Panel may choose not to select an athlete if the Selection Panel considers that their health or injury status means that the athlete’s ability to fulfil the performance objectives of the championships is compromised.

16. Round 2 - World Athletics Entry Standard

- a. If places remain by event, the Selection Panel will consider athletes with a World Athletics Entry Standard.
- b. The Selection Panel will select athletes who have demonstrated the ability to achieve the Performance Objective. The Selection Panel may in its sole discretion decide not to select athletes if in the Selection Panel’s expert opinion, the athletes are unlikely to achieve the performance objective. To make this assessment, the Selection Panel will consider the following criteria.

Version	Date
v1	Published 12 December 2025

- Consistency of performances at or close to the WA qualification standard during the qualification window, with particular emphasis on the 2026 indoor season.
 - Position on the ‘Road to Kujawy Pomorze’ Top Performance List’ at the time of the selection meeting
 - Recent Head-to-heads with other Eligible Athletes (2025 and 2026 indoor and outdoor seasons)
 - Performance and position at the UK Athletics Indoor Championships in the event the athlete is being considered for

- d. If there are more Athletes who have the ability to fulfil the performance objectives of the Championships than there are places available, athletes will be considered for selection based on the Selection Panel’s comparative assessment of athletes who have a World Athletics Entry Standard.
- e. For the avoidance of doubt, the Selection Panel is neither obliged to select athletes nor to fill all event places.

17. Round 3 – World Athletics Top Performance List position

- a. If there are places remaining, the Selection Panel will then consider athletes who at the time of the selection meeting appear on the on the ‘Road to Kujawy Pomorze’ either ‘**In Top List**’ or ‘**Next best by Top List**’ positions. Inclusion on this list does not guarantee selection.
- b. The Selection Panel will consider whether the athletes have demonstrated the ability to achieve the Performance Objective. The Selection Panel reserves the right to not select athletes if in the Panel’s expert opinion, they are unlikely to achieve the performance objective. To make this assessment, the Selection Panel will consider the following criteria.
- The gap to the WA qualification standard of performances and consistency of performances close to the WA qualification standard during the qualification window with particular emphasis on the 2026 indoor season.
 - Position on ‘Road to Kujawy Pomorze’ at the time of the selection meeting

- d. If there are more Athletes who have the ability to fulfil the performance objectives of the Championships than there are places available, athletes will be considered for selection based on the Selection Panel's comparative assessment of athletes.
- e. For the avoidance of doubt, the Selection Panel is neither obliged to select athletes nor to fill all event places.
- f. For Athletes selected in this Round, their selection will be subject to the athlete qualifying by virtue of their final Top Performance list positioning on Wednesday 11 March as part of the Qualification Requirement for Eligibility.

18. Round 4 - Relay Events

- a. A maximum of four (4) athletes may be selected for each of the 4 x 400m relay events, all of whom will also be expected to compete in the Mixed 4 x 400m.
- b. Relay teams will only be considered for selection if, in the Selection Panel's expert opinion, there is the genuine potential to achieve a medal.
- c. The Selection Panel may choose to prioritise one relay team over another i.e. the mixed relay team above the men's or women's 4 x 400m relay team, to maximise the chance of medal success. The Selection Panel is not obliged to select a team for any or all relay events.
- d. When considering relay events and corresponding individual events, the Selection Panel will select athletes for the event where they have the most opportunity to maximise medal success. This may result in an athlete being selected for the relay event only.
- e. Athletes being considered for relay selection in their respective events will be assessed by the Selection Panel using the criteria below.
 - Performance and performance consistency assessed against using the appropriate WA individual qualification standards (including gap to the WA standard) during the qualification window.

 - Recent athlete performance history as part of the relay in championships since 2023
 - Contribution and commitment to relay team-based training/competition activity
 - Medical, injury and health-related status

If more athletes satisfy criteria than there are places available, athletes will be assessed using the criteria outlined in the Rounds.
