

**2026 World Athletics U20 Championships: 5-9 August 2026
Eugene, Oregon**

**SELECTION POLICY – published December 2025
Updated March 2026 – Amendment to SRY Testing Information**

Overview

UK Athletics provides the opportunity through age group championships for athletes and coaches to experience and learn the key skills, abilities and behaviours needed to progress through the pathway and on to the senior international stage.

The Selection Panel (“the Panel”) therefore aim to select a competitive team and athletes who they believe have the potential to reach top 8 in their event at the World Athletics U20 Championships.

In line with the UK Athletics Futures Academy Relay Programme, the U20 relays are seen as vital experience for ensuring future success on the senior stage. All U20 relay programme athletes will therefore be expected to make themselves available for the 4x100m or 4x400m relay squads throughout the year, culminating at the World Athletics U20 Championships.

The World Athletics U20 Championships Trials (“the Trials”) for all events except combined events, will take place at the England Athletics U20/U23 Championships on **3-5 July 2026**.

The World Athletics U20 Championships is fully funded by UKA.

Illness/Injury

Where an athlete suffers illness or injury the day before or the day of the Trials, they must contact the Teal Leader as soon as possible prior to the commencement of the relevant Trial event.

Detailed information and evidence must be provided by a medical note from a GP, emergency doctor or consultation with the U20 Team Doctor, for the Team Leader and U20 Team Doctor to assess whether absence from Trials was warranted and whether an exemption is granted.

All athletes must be aware that failure to attend the trials, regardless of validity will naturally and unavoidably place them at a disadvantage when being assessed for selection.

Illness that occurs earlier than the day before the first day of the Trials must be evidenced by a medical note from a GP, emergency doctor or consultation with the U20 Team Doctor for that athlete to remain eligible for selection.

The Team Leader and the U20 Team Doctor will at their discretion determine whether, on the basis of the evidence available to them and information provided by the athlete, to accept their non-attendance at the Trials.
