

**2026 European Athletics U18 Championships**  
**Rieti, Italy**  
**16-19 July 2026**

**SELECTION POLICY – published January 2026. Version 3**

**Overview**

UK Athletics provides the opportunity through age group championships for athletes and coaches to experience and learn the key skills, abilities and standards needed to progress through the pathway and on to the senior international stage.

By competing in their specific age group, athletes gain the right experience at the right time in their development. The long term goal is to support each athlete's journey towards future senior international success and ultimately competing at the Olympic Games.

The Selection Panel ("the Panel") therefore aim to select a competitive team with athletes who they believe have the potential to reach top 8 at the European Athletics U18 Championships.

The GB and NI team will travel to the Championships as a single team. All questions related to the selection policy, competition opportunities or team travel should be directed to [agegroupchampsinfo@britishathletics.org.uk](mailto:agegroupchampsinfo@britishathletics.org.uk)

The EuropeanAthletics U18 Championships is a fully funded event.

## GENERAL ELIGIBILITY CRITERIA

- To be considered for selection, athletes must satisfy the following:
  - a. be eligible to compete for Great Britain & Northern Ireland (i.e. full British passport holder);
  - b. be born in 2009 or 2010;
  - c. must not currently be serving a period of ineligibility or a provisional or permanent suspension for a doping violation or for any other reason of misconduct.
  - d. not have committed a criminal, disciplinary or safeguarding offence that in the reasonable opinion of the Board of UK Athletics renders the athlete unsuitable for selection.
  - e. compete in the Trials in the event in which they wish to be selected with the following exceptions shall apply:
    - i. Athletes in the combined events.
    - ii. Athletes who may want to double up at the European U18 Athletics Championships do not have to compete in their second event at the Trials. Athletes must inform the Selection Panel (“the Panel”) prior to the selection meeting of their desire to double up and in which events. The Panel will consider any athlete’s second event as discretionary selection in round 2.
  - f. have demonstrated a consistent level of performance in line with the aims of the policy.
  - g. sign the UK Athletics Team Members’ Agreement (“TMA”) and abide by its terms and conditions. Any athlete failing to do so prior to the first date of competition will result in their selection being withdrawn. The current version of the TMA can be found online at <https://www.uka.org.uk/performance/british-athletics-teams-information/>
  - h. have received and hold a valid certification for having completed European Athletics Anti-Doping Education Programme – I Run Clean.

## **TRIALS**

The European Athletics U18 Championships (“the Trials”) for all events except combined events will take place on **27-28 June 2026** at the **Welsh Senior and U18 Championships, Cardiff**.

There will be no trial for the combined event groups. Athletes will instead be expected to show form/fitness at the Trials in a relevant event.

### **Illness/Injury**

Where an athlete suffers illness or injury the day before or the day of the Trials, they must contact the Team Leader as soon as possible prior to the commencement of the relevant Trial event.

Detailed information and evidence must be provided by a medical note from a GP, emergency doctor or consultation with the Team Doctor, for the Team Leader and Team Doctor to assess whether absence from Trials was warranted and whether an exemption is granted.

All athletes must be aware that failure to attend the trials, regardless of validity will naturally and unavoidably place them at a disadvantage when being assessed for selection.

Illness that occurs earlier than the day before the first day of the Trials must be evidenced by a medical note from a GP, emergency doctor or consultation with the Team Doctor for that athlete to remain eligible for selection.

The Team Leader and the Team Doctor will at their discretion determine whether, on the basis of the evidence available to them and information provided by the athlete, to accept their non-attendance at the Trials.

Failure to satisfy the above will result in the athlete not being considered for selection. All athletes must be aware that failure to attend the trials, regardless of validity, will naturally and unavoidably place them at a disadvantage when being assessed for selection.

For clarification, this does not automatically grant exceptional circumstance but may be taken into consideration by the Panel.
