

## **UK Athletics Endurance Education and Training Sub Group**

### **Terms of Reference**

#### **Name**

UK Athletics has agreed to the formation of an Endurance Officials' Education and Training Sub Group. The Sub Group shall be a sub group of the UKA Technical Advisory Group to whom they will formally report.

#### **Formation**

The membership of the sub group shall be by invitation only. The Chairperson will be appointed by the Technical Advisory Group. Invitations for membership will be issued by the Technical Advisory Group. Members will be representative of the expertise and knowledge base required to lead on the design and delivery of programmes for the education of the whole population of officials active in the area of the sport.

Membership will be reviewed periodically and as appropriate. Individuals will be co-opted to work with the sub committee as need arises.

#### **Conduct**

The Education and Training Sub Group will,

- Meet regularly through out the year. The minutes of their deliberations will be reported to, and approved by, the Technical Advisory Group.
- Implement policy as determined by the Technical Advisory Group and UKA as a whole.
- Elect a chairperson from within their membership subject to approval by the Technical Advisory Group.

#### **Jurisdiction**

The Education and Training Sub Group's duties are to,

- Manage the design and the process of delivery of the training of all endurance officials
- Manage the quality control of that training
- Manage the tutor list and deploy the trained tutors for the training process.
- Make recommendations to UKA about the development of the officials' workforce
- Promote the welfare and development of officials.
- Be proactive in communicating officials' development throughout the sport in the UK

- Receive and consider recommendations from the Home Countries Forum
