

**Technical Advisory Group
Record of Meeting – 13th January 2012**

2012 Officials' Conference – will be held on Sunday 15th April 2012. There will be a large number of workshops available in 2012 aimed at all levels of officials for both Track and Field and endurance officials. We have built in networking time and split lunch based on feedback from the 2011 conference.

We will target lower level officials to attend conference this year by sending direct communication to them by email, encouraging higher level officials to bring a local official with them and asking county Official Secretaries to nominate a level 2 official for a travel subsidy bursary.
