Should an individual wish to put themselves forward to fill such a vacant position outside of the normal nomination window then the UKA Members can consider that application and appoint on a casual basis. The individual must demonstrate that they are eligible for the relevant position and must provide evidence of a nomination with the required level of support for that post as set out in these Regulations. This application should be addressed to the Company Secretary who will review and validate such an application and then seek approval for the appointment on the basis of a simple majority of the voting rights attributable to UKA Members in accordance with Article 49.
