

**2024 Paralympic Games: 28<sup>th</sup> August – 8<sup>th</sup> September 2024**  
**Paris, France**

Selection Policy – Published 7 July 2023

## **OVERVIEW**

This selection policy (“the Policy”) outlines the process by which UK Athletics (“UKA”) will determine its nominations for ParalympicsGB at the Paris 2024 Paralympic Games (“Games”).

In all cases, selection by UKA represents a nomination to the British Paralympic Association (“BPA”) for their ratification. Ultimately, the final decision regarding selection for the Games rests with the BPA and is conditional on various factors, including athletes signing the ParalympicsGB Paris 2024 Paralympic Games Team Members’ Agreement (“TMA”)

## **AIM**

The joint aim of **UKA** and **BPA** for the Games is to maximise the number of medals won at the Games and provide a development opportunity for athletes with future Paralympic Games medal potential.

## **SELECTION MEETING**

1. The team will be selected at selection meetings on **17 June and 22 July 2024**.
2. World Para Athletics (“WPA”) will grant BPA a maximum number of Qualification Slots for the Games, as per the [Paris 2024 Paralympic Games Qualification Regulations](#). The Selection Panel appointed by UK Athletics will consider all eligible athletes for nomination but is not obliged to fill every available Qualification Slot.
3. In all track events and single class field events, a maximum of three (3) eligible athletes may be entered per medal event (single class).
4. In combined field events a maximum of five (5) eligible athletes may be selected, with a maximum of three (3) eligible athletes per single class.
5. It is open to the Selection Panel to exercise its discretion to nominate any athlete for an unlimited number of medal events, subject to paragraph 23 below and provided the athlete has at least one Minimum Entry Standard (“MES”) performance (as set out in Appendix 2) at a WPA Recognised Competition for each event in which they wish to be considered for selection and meets any other applicable eligibility criteria.

## **SECTION 1: ELIGIBILITY FOR CONSIDERATION FOR SELECTION**

6. To be eligible for consideration for selection, athletes must comply with requirements 1 and 2 below:

Requirement 1 (Eligibility Criteria):	Meet the Eligibility Criteria, as set out in Appendix 1 – Eligibility Criteria.
Requirement 2 (Qualification Standard):	Achieve a Minimum Entry Standard as listed in Appendix 2 – Minimum Entry Standards, in the correct period (as set out in paragraph 9 below).

### **Requirement 1: Eligibility Criteria**

7. To be considered for selection, athletes must satisfy the Eligibility Criteria set out in Appendix 1 – Eligibility Criteria.

### **Requirement 2: Qualification Standard**

8. Athletes must achieve at least one (1) MES performance (as set out in Appendix 2) at a WPA Recognised Competition for each event in which they wish to be considered for selection.
9. The MES must be achieved between 00:00 (GMT) 1 October 2022 and 00:00 (BST) 21 July 2024.
10. Performances will only be accepted towards the MES if they are in accordance with Section 3: Performance Conditions.

### **Eligible Athletes**

11. Athletes who achieve Requirements 1 and 2 will be eligible for consideration for selection (“Eligible Athletes”). Other athletes will not be eligible for consideration for selection.

## **SECTION 2: SELECTION PROCESS**

### **Selection Rounds**

12. The Selection Panel will select athletes for nomination in five (5) rounds. Rounds 1, 2, 4 and 5 apply to individual events only.
13. In Rounds 1, 2 and 4, the Selection Panel may nominate Eligible Athletes for more than one event (“doubling up”). An athlete nominated in one event will also be nominated in another event if that athlete meets the relevant criteria. With all doubling up, it will be allowed at the discretion of the Selection Panel who will consider the impact of the athlete doubling up, including on their performance in their primary event.

### **17 June 2024**

#### **14. Round 1 – 2023 WPA Championships gold & silver medallists**

- a. Subject to the exceptions in paragraph 14.b below, Eligible Athletes who won an individual gold or silver medal at the Paris 2023 World Championships, in an individual event listed on the Games Medal Event Programme will be nominated for the same event in which they won a gold/silver medal, provided they:

- i. Have demonstrated current form by producing a performance between 1 January – 16 June 2024, which gives the Selection Panel confidence the athlete will at least repeat their performance at the Games; and
  - ii. do not, as at the time of the selection meeting on 17 June 2024, have any injury or illness which, in the opinion of the Selection Panel, will impact on their potential to at least repeat their performance at the Games.
- b. The following exception applies:
- i. In relation to events in which, as at the time of the selection meeting, the 2024 Paralympic Games MES Rankings (<https://www.paralympic.org/athletics/rankings>) contain less than five (5) athletes or there are less than three (3) countries represented in those Rankings, athletes will NOT be automatically selected in this Round 1. They will instead be considered in round 2 or 4, based on their WPA MES ranking.
- c. For the avoidance of doubt, athletes who were individual gold or silver medallists at the 2023 WPA Championships but who do not satisfy the requirements of paragraph 13a above, will still be eligible for nomination in later rounds, provided they meet the relevant criteria for that round.

Athletes selected in round 1 will be informed by 21 June 2024.

## **22 July 2024**

### **15. Round 2 – Top 3 WPA MES Rankings**

- a. Provided there are Qualification Slots remaining, Eligible Athletes who are ranked in the top three (3) of the [2024 Paralympic Games MES Rankings](#) as at 09:00 (BST) on 22 July 2024 will be considered in this round.
- b. Athletes will only be nominated for individual events in this round if they have demonstrated to the satisfaction of the Selection Panel, current form and fitness which suggests they have realistic potential to win a medal at the Games.
- c. Athletes will be considered in order of the [2024 Paralympic Games MES Rankings](#) but, for the avoidance of doubt, selections will not necessarily be made in order of rankings.
- d. Where there are more Eligible Athletes than places remaining per event after Round 1, athletes will be selected for any remaining places based on the Selection Panel's assessment of which athlete(s) it considers has the best chance of achieving a medal at the Games. The Selection Panel may consider any of the following factors, which are not listed in priority order:
  - i. 2024 Paralympic Games MES Rankings;

  - i. The Selection Panel believes the athletes can realistically combine to contend for a relay medal at the Games; and
  - ii. Each relay athlete has achieved at least one MES performance (as set out in Appendix 2) at a WPA Recognised Competition.
- b. In order to support the relay team's potential to win a medal at the Games, in exceptional circumstances, additional Eligible Athlete/s may be selected in this round and may, at the discretion of the Selection Panel, be prioritised over individual selections. These athletes must have achieved an MES (as set out in Appendix 2) at a WPA Recognised Competition for an individual event and will also be selected for that event, as per WPA regulations.
- c. A team of up to eight (8) athletes may be selected for the 4 x 100m universal relay.
- d. The team must consist of at least two (2) male and two (2) female athletes.

The Selection Panel, in its absolute discretion, may choose to nominate Eligible Athletes who they believe have potential to win a medal in the Games.
- b. Eligible Athletes who are ranked in the top 12 of the 2024 Paralympic Games MES Rankings at 09:00 (BST) on 22 July 2024 will be considered for nomination in this round. Athletes will be discussed in the order of the 2024 Paralympic Games MES Rankings but, for the avoidance of doubt, nominations will not necessarily be made in order of ranking.
- c. Eligible Athletes will only be considered if they have demonstrated to the satisfaction of the Selection Panel, in its absolute discretion, current form and fitness which suggests that they have realistic medal potential for the Games.
- d. In making its decision, the Selection Panel may consider the following factors, not listed in priority order:

#### **18. Round 5 – Future Global Medal Potential**

- a. Subject to further Qualification Slots remaining and the maximum number of places for an individual event has not been filled in Rounds 1, 2, 3 or 4, the Selection Panel, in its absolute discretion, may choose to nominate Eligible Athletes who they believe have potential to win a medal in future Paralympic Games.
- b. Eligible Athletes who have not been nominated in rounds 1 – 4 and are ranked in the top 20 of the 2024 Paralympic Games WPA Championships MES Rankings at 09:00 (BST) on 22 July 2024 will be considered for nomination in this round 5. Athletes will be discussed in the order of the 2024 Paralympic Games MES Rankings but, for the avoidance of doubt, selections will not necessarily be made in order of ranking.
- c. Athletes nominated in this round must have demonstrated to the satisfaction of the Selection Panel current form and fitness which suggests that they are a developing athlete who is on the pathway towards individual medal success at future Paralympic Games.
- d. The Selection Panel may consider the following, not listed in priority order:

#### **19. Round 6 - Nomination for Additional Events**

- a. The Selection Panel may in its sole discretion allow an athlete already selected in one individual event to be selected for additional individual events that they have not achieved the criteria for after the conclusion of all previous rounds, provided the athlete meets the requirements set out in paragraph 6, for the additional event(s).
- b. The Selection Panel cannot, in making selections in this round, override previous selections or preclude another athlete selected in previous rounds.
- c. In making their decision the Selection Panel will consider the following:
  - i. The impact on the athlete's preparation and performance of their primary event;
  - ii. The athlete's ability to finish in the top 8 in their secondary event; and
  - iii. The secondary event as a development opportunity for the athlete.

## 20. Reserves

- a. In the event that the Selection Panel nominates athletes to fill all Qualification Slots, or they nominate the maximum number of athletes per event set out in paragraph 4, they may choose to nominate reserves for any event, provided any such reserve athletes have achieved at least one MES performance in the event in question in accordance with the performance conditions below.
- b. Reserves will be nominated on the basis of the Selection Panel's criteria listed at paragraph 16c above, as well as any other factors that may be deemed relevant. This point will also apply for the purposes of selecting a replacement after the de-selection of an athlete in accordance with section 3 below.

21. In relation to selections for places where athletes are compared and athletes considered have suffered from illness/injury, the Selection Panel may take their injury/illness into account as a reason not to select the athlete and, although it may do so in its sole discretion, there is no obligation on the Selection Panel to take into account illness/injury as an exemption from the requirement to perform in the case of an athlete whose performances may have suffered due to illness/injury.

The final team will be announced by 26 July 2024.

*Important Note: The 2024 Paralympic Games Medal Event Programme will be confirmed following close of entries on 5 August 2024. If the structure of any events change at this stage, for example if classes are combined or events become non-viable, the Selection Panel may*

- *reconsider any athletes originally selected in these events. Athletes may be deselected if they are no longer eligible or if the Selection Panel considers (in re-applying the provisions of paragraphs 14 to 19) that they do not meet the selection criteria for the new event.*

*Or*

- *consider the selection of an athlete who has met the eligibility criteria pursuant to Section 1, 6 but has not been selected during the rounds and has received a direct invitation from the World Para Athletics Federation to compete where athlete numbers in a specific event identified by the Selection Panel as at risk of becoming non-viable.*

## **SECTION 3: PERFORMANCE CONDITIONS**

22. MES performances must be achieved in WPA endorsed competitions (see [WPA website](#) for a full list of domestic and overseas WPA endorsed events).

- a. Domestic, non-disabled competitions are not automatically endorsed or recognised by WPA for the purposes of achieving MES performances. Athletes may request WPA endorsement (via UK Athletics) for specific domestic non-disabled competitions in accordance with paragraph 26.b below provided the request satisfies the following:
  - i. The competition is an integrated event – i.e., either disability events take place in the same competition as non-disabled events OR a disabled athlete competes in a non-disabled event directly against non-disabled athletes; and
  - ii. The competition for which endorsement is being sought is a UKA Level 2 or higher competition (for further details on UKA competition permits, please check [www.britishathletics.org.uk](http://www.britishathletics.org.uk)).
- b. Athletes wishing to request WPA endorsement of a domestic, non-disabled, event must send requests to Jan Richards at [jrichards@britishathletics.org.uk](mailto:jrichards@britishathletics.org.uk), at least four (4) weeks prior to the start of the competition. The final decision as to whether such an event is endorsed shall be at the discretion of WPA.

23. In order for qualifying performances to be recognised by WPA, athletes must hold a 2023 and/or 2024 WPA License at the commencement of the competition in which the performance was achieved. Athletes without a valid WPA license must submit new requests for a license at least one (1) week prior to the commencement of that competition. All requests must be submitted to Jan Richards at [jrichards@britishathletics.org.uk](mailto:jrichards@britishathletics.org.uk).
24. Wind-assisted performances of 2.1m/s or more (or performances achieved at events where wind measurement was not available) will not be accepted.
25. Indoor performances for all field events and all track events of 400m or longer **will** be accepted.
26. Hand timed performances in 100m, 200m & 400m will not be accepted.
27. Field event performances must be achieved using implements with a "minimum" weight, as outlined per classification (see [WPA website](#) for implement weights).
28. For the running events of 400m and over, performances achieved on oversized tracks will NOT be accepted.
29. 100m, 200m and 400m performances at altitudes of above 950m will not be accepted.
30. Performances achieved in mixed events between male and female participants, held completely in a stadium, shall not normally be accepted. Exceptions to this rule may be made for field events or races of 5,000m or longer provided the stipulations outlined in WPA rule 3.2.5 (including notes) are satisfied. For the avoidance of doubt, where any mixed gender race is conducted so as to allow athletes of one gender to be paced/drafted/assisted by athletes of another gender, the results will not be permissible for qualification/selection purposes. Whether or not a mixed gender race has been conducted in such a way will be determined at the absolute discretion of the Selection Panel.
31. Multiple performances achieved in the same individual event in a single day will count as follows:
  - a. In track events only the fastest legal result of the day;
  - b. In throwing events only, the best trial of the first competition of the day; and
  - c. In horizontal jumps only the best trial of the first competition of the day, unless every mark achieved by the athlete was wind-assisted (or the wind measurement was not available/recorded) in which case a second competition held under non-wind-assisted conditions will count.

#### **World ranking conditions relating to selection**

32. For events in which more than one class is eligible (such as F42/61/63 Shot Put), the combined WPA MES Ranking (based on unadjusted times/distances) will always be used for the purposes of the selection process.
33. 2024 Paralympic Games MES Rankings will be taken at 09:00 (BST) on 22 July 2024. If the 2024 Paralympic Games MES Rankings are known by the Head of Paralympic Performance to be inaccurate (i.e., missing performances) at this point, UK Athletics will manually input any missing results from the data set obtained from WPA. The data used during the selection process will be made available for any subsequent appeals.

#### **SECTION 4: SELECTION PANEL**

34. The Selection Panel ("the Selection Panel") for the meeting shall comprise:
  - a. Voting members;
    - i. UK Athletics' Head of Paralympic Performance;

- ii. UK Athletics' Paralympic Performance Lead; and

The Chairperson may appoint an alternative selector if necessary.
36. Voting of the Selection Panel shall be by simple majority. The Head of Paralympic Performance shall have a casting vote, if required. If the Head of Paralympic Performance is unable to vote due to a conflict, the Technical Director shall have a casting vote, if required.
37. The Selection Panel may make any selection subject to the athlete satisfactorily completing a performance requirement or test set by the Selection Panel.

## **SECTION 5: DE-SELECTION**

38. The process by which an athlete may be de-selected from the Games depends on the exact timing in relation to the Delegation Registration Meeting ("DRM") – i.e. the date on which the ParalympicsGB team is formally entered into the Games. The DRM will be held on or around 15 August 2024.
39. At any time prior to the ParalympicsGB Sport Entry Deadline (midnight on 5 August 2024), UKA may withdraw an athlete's nomination should they no-longer be an Eligible Athlete, fail to adhere to this Policy or in the event of:.

  - g. UK Athletics reasonably considering that the athlete will be unable to perform at the level required or expected due to any reason including loss of form or failure to recover fully or as expected from injury or illness; or

- h. failure to opt-in to team training or events.
40. In the event of de-selection, the Selection Panel will meet again to decide on a replacement athlete. In the event there is not time for the Selection Panel to meet, the decision will be taken by the Technical Director and Head of Paralympic Programme, with the decision of the Technical Director being final in the event of disagreement.
41. After 5 August 2024 and before 15 August 2024, substitutions may only be made for athletes who withdraw due to injury, illness or other special circumstances and must be in the same medal event and class. All substitutions are subject to review and approval by the IPC.
42. After 15 August 2024, no substitutions will be permitted.

The following provisions shall apply in connection with the Lead Paralympic Medical Officer's assessment of a Relevant Diagnosis:
